

PARENT OF INNOVATION AWARD- Little Steps, Big Achievement

Parentof in association with ASSOCHAM presented 'Parentof Innovation Awards', a platform that recognized extraordinary commitment by schools towards 360-degree student growth and development. Schools across Karnataka participated in Parentof Innovation Awards by submitting the nomination. The winning schools were felicated .

Over 1000 schools from different zones of Karnataka as well as parents submitted their nominations for the Awards. The schools were judged on six categories that included innovations in parent engagement, student health & safety, co-curricular development, information & communication technology, and innovation in inculcating value education.

Out of 1000 schools 300 schools were chosen. In each category 12 school were further short listed to be the finalists. Every category had two awards - Jury choice award and Parent choice award.

We are proud to announce that Aecs Magnolia Maaruti Public School, Bangalore was awarded the Jury Choice Award under the category of Innovation in Information and Communication Technology.
