Captaining glory at flying tennis national championship

Nayana M Kanteppa of class X, from AECS Magnolia Maaruti Public School was the sub-junior girls team captain at the Karnataka Flying Tennis Association Second Sub-Junior and Junior National Championship for boys and girls. It was held from May 27 to 29 at Ghaziabad, Uttar Pradesh. Her team won at the national level. Principal Seema Goel said, "Sports is a valued complement to academic development. It gives a student different perspectives outside of the structure of a classroom".

The school wishes her the very best for her future endeavors.

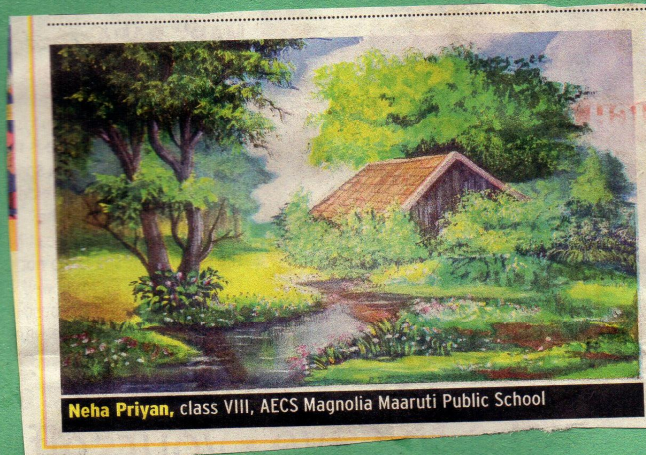

While teachers were ready to take on the challenge of the old evaluation system being relaunched, students were not as they did not face a real examination till 2016-17. However, having an annual examination is better. Now parents will also become serious about each year's exams

Graduation is an exciting time. It's both an ending and a beginning. Au revoir, the Graduation Day for class X and XII students was held on Feb 9, 2019. Beams of laughter and the tears of sorrow filled the air. Amidst academic and co-curricular activities and hectic schedules, each student, teacher and staff worked hard to put up memorable events for the outgoing students on the Graduation Day.
