

SCIENCE EXHIBITIONS

The Central Board of Secondary Education organizes Science Exhibitions at Regional and National levels every year. The activity aims at providing a common platform to schools, teachers and students to give shape to their innovate ideas and learn from each other's experiences. Representing AECS MAGNOLIA MAARUTI PUBLIC SCHOOL, BENGALURU Abhinav V of grade 11 participated in the Regional Level competition.

We are proud to announce that he qualified for the national level competition for the topic selected by our school 'Water: The Elixir of Life' Project name - Peizelectric Rain Energy Device. AECS MMPS team wishes him all the best for the upcoming competition
