Congratulations to AECS Students on Their Achievement at URSC National Science Day 2025. We are proud to share that the students of AECS Magnolia Maaruti Public School participated in the National Science Day (NSD) 2025 celebrations at U R Rao Satellite Centre (URSC), Bengaluru. As part of the National Science Day celebrations, URSC organized several events and competitions for students. On February 15, 2025, our Grade 7 students Tanvi Satyanarayana, G. Adithya Reddy, and Tapasya Rodagi participated in the Model Making – Category B competition. The team was given the on-the-spot topic “Mars Exploration” and had two hours to construct a Martian Rover model using only the raw materials provided at the venue. Their creativity and teamwork helped them secure 3rd place in the competition. Each student received a certificate and a ₹1000 gift voucher during the valedictory function on February 28, 2025. AECS congratulates the winning team on their remarkable achievement and wishes them continued success in all their future endeavors!

AECS students Vishakh Sugandhan from Grade VII and Mihir Chandra from Grade VI participated in the WWGC School Level Challenge and were selected for the state-level competition. On October 24, 2024, they competed in the State Level Quiz Competition, where 140 students from various schools participated. Our students had the opportunity to showcase their talent and received participation certificates.

AECS extends heartfelt congratulations to Vishakh Sugandhan and Mihir Chandra for their remarkable achievement and wishes them continued success in their future endeavors.

Kushal Gupta studying in 4th standard participated in SIP International Prodigy competition held at Kolkata on 10th November, 2024. This contest had participants from 11 countries which was one of the first in SIP prodigy competition. It has approximately 6500 participants across different levels. Kushal Gupta participated in Grand Master Level A and got the prodigy medal with participation certificate. We are proud of you Kushal!!!

COLLABORATIVE KNOWLEDGE EXCHANGE BETWEEN

AECS MMPS, INDIA AND SOLIHULL PRIMARY SCHOOL, UK

On 17th January 2025, students from Solihull Primary School, UK, and AECS MMPS came together for an engaging and educational online session aimed at fostering cultural understanding and sharing school traditions. This collaborative initiative aligned with the Sustainable Development Goals (SDG) 4: Quality Education and SDG 17: Partnerships for the Goals.

During the session, students from both schools shared their respective school songs and national anthems, offering a melodic glimpse into their cultural pride and school spirit. This beautiful exchange enriched the students' understanding of each school's heritage and traditions.

Following the song activity, the students had a lively question-and-answer session. Curious minds from both schools asked thoughtful questions about each other's school routines, favourite activities, and cultural practices. This interaction fostered a sense of connection, curiosity, and mutual respect, reinforcing the importance of global educational collaboration.

Learning Outcomes: This enriching session served as a remarkable platform for students to connect across borders, promoting cultural exchange, friendship, and a deeper understanding of diverse educational environments. It exemplified the essence of SDG 4 by enhancing access to inclusive and quality education while fostering lifelong learning opportunities. The event also highlighted the importance of SDG 17 by showcasing the power of meaningful partnerships to achieve shared goals. Both schools expressed enthusiasm for future collaborative interactions, emphasizing the joy of shared learning and the invaluable benefits of global educational partnerships. This fruitful session demonstrated that through collaboration and shared experiences, students can become global citizens, embracing diversity and learning together for a better tomorrow.

COLLABORATIVE ACTIVITY WITH UK

On Thursday, 27/6/2024, AECS Magnolia Maaruti Public School, Bengaluru, had a collaborative and engaging session with the children from Castle Primary School in the UK. The topics of discussion included the similarities and differences between our schools, the various harvest festivals celebrated and the delicacies prepared during these festivals, and the amazing birds that inhabit our regions. It was a wonderful exchange of ideas and cultures, allowing the students to learn from each other and appreciate the diversity and commonalities in our traditions and natural environments.

Times NIE summer journalism training program

Times NIE initiated a project aimed at promoting student journalism and offering a fresh outlook on education. AECS was thrilled to participate in the summer journalism training program organized by Times NIE. M. Pranav Reddy a student in grade 8, seized the chance and enthusiastically participated in the 10-day program held at St. Joseph's Boys' High School, #27, Museum Road, Bengaluru – 25 from 1st April 2024 to 12th April 2024. The 10-day internship provided a deep insight into the various facets of the Newspaper industry and the career opportunities that exist within the same. Our student gained a deeper respect for the media's place in society and a better knowledge of the essential traits and abilities needed to succeed in this industry after attending the workshop. Pranav won 1st place in a quiz conducted by the Sprouts Edu Tours during the program. A participation certificate, a shield & a sporting book "was awarded to M. Pranav Reddy on completing the program. AECS is grateful to the Times NIE for providing this great platform.
