Shravya S. Kruthi, a student of Class 8B, participated in the Karnataka Music Junior Section state-level examinations conducted by Dr. Gangubai Hangal Music and Performing Arts University in July 2024. She secured an outstanding 97.25% in the Carnatic Classical Music (Vocal) exam, earning a High Distinction. Her remarkable achievement was also featured in the Vijaya Karnataka newspaper. AECS congratulates Shravya S. Kruthi on her exceptional accomplishment and wishes her continued success in her future endeavors.

Sustainability Accelerator Program 2024

Congratulations!!! Vrishank Manish and Sai Prakul have made it to the Top 20 students for an internship program with ABFRL (Aditya Birla Fashion and Retail Limited) - 1M1B (One Million for One Billion).

1M1B joined hands with ABFRL to organise a Sustainability Accelerator Program 2024 to help young generation work towards UN's Sustainable Development Goals (SDGs). The program aims to engage and enable youth to become future ready problem solvers creating real world impact.

AECS Magnolia Maaruti Public School, Bengaluru has taken part in this grand initiative and adopted "Climate and waste management" as the theme. Our School featured as one of the top 10 schools across India in 1M1B-ABFRL Sustainability Accelerator 2024 program. Our student participants engaged in several activities such as e-Waste collection drive, educating local community to reduce plastic by making newspaper bags, conducting sessions, organising creative paradigm, a walkathon to spread environmental awareness, conducting community survey, encouraging all students to take sustainability pledge.

We are excited to inform that among all the students participated from various schools across India, two of our students Vrishank Manish, Grade VIII and Sai Prakul, Grade IX have been selected for their exceptional drive and involvement in all the sustainable activities among the top 20 students in the 1M1B-ABFRL Sustainability Accelerator 2024 program.

This achievement highlights our continuous investment in making real impact to Environment and contribute to the sustainable world in whatever way we can. Our students and teachers are committed to bring real change in creating awareness and act on the sustainable development goals.

Ms. Eswari Kumaravel (Faculty of Department of IX & X)*

ABFRL - 1M1B INTERNSHIP PROGRAM

Management Entrepreneurship

The Magnolians have done it again ...

Congratulations Aniruddh Gupta, Hargun Kaur, Bhargav Ramavarapu on making it to the Top 100!!! Youth Ideathon, 2024 themed 'iStart up a Good Thing for India' is organised by ThinkStartup in collaboration with Management Entrepreneurship Professional Skills Council and CBSE. It is an entrepreneurship competition for school students in India that aims to encourage students to develop innovative ideas that benefit the country.

12 teams from our school participated in the competition out of which 4 teams were shortlisted in TOP 500. The four teams are

Team 1: Aniruddh Gupta, Hargun Kaur, Bhargav Ramavarapu of Grade XII

Ideation: Vidya Margadarshak- Designing a website and app for consolidating information regarding all competitive exams conducted in India for both undergraduate, postgraduate courses and government services.

Team 2: Shayaan, Ayaan Kumar, Shreyas Grade IX **Ideation:** Early warning system for land subsidence.

Team 3: Avaneesh Prasanna, Harini, Dheeraj B of Grade X **Ideation:** Algal cultivation: Carbon Sequestration and Edible supplements

Team 4: Karthik Prakash Vogeti, Sanath Narayanan, Syaam Prasad of Grade X

Ideation: Developed games that enhance cognitive skills through interactive puzzles.

Among the four teams, Team 1 i.e., Bhargav Ramavarapu, Hargun kaur, Aniruddh Gupta of Grade XII qualified for TOP 100 teams in the country and they will be representing our school in the FINALS that will be held in IIT Delhi on 9th and 10th October 2024.

AECS family congratulates and applauds all the teams in TOP 500 and Ms Gayathri Battepati (Faculty - Grade XI & XII Department) for her able guidance and mentorship. We also wish Bhargav Ramavarapu, Hargun Kaur, Aniruddh Gupta good luck for the Finals.

AVINYA 2024 – AN INNOVATION HUB

On 16th November 2024, our students proudly represented the school in the second round of Avinya 2024 – An Innovation Hub at BVM Global School, Bengaluru. Competing against participants from 20 schools, Srinjesh Bhowmik (X E) presented on Intelligent Traffic Optimisation, Amogh B and Tarun H (X C) on Poverty, Nikhila Shika and Jigyasa Sahu (IX C) on Gender Equality and Inclusion for Non-Binary Genders, and Karthik Prakash Vogeti (X E) on Hiraeth. The event celebrated creativity, critical thinking, and collaborative learning, with our students showcasing exceptional talent and innovation, making the school proud.

CBSE Regional Science Exhibition: A Platform for Innovation and Creativity

The Central Board of Secondary Education (CBSE) organizes annual Science Exhibitions at Regional and National levels to provide schools, teachers, and students with a platform to showcase their innovative ideas and exchange valuable insights.

This year, the Regional Level Science Exhibition, held on 19th and 20th November 2024, witnessed the participation of 158 teams from 79 schools. We are thrilled to share that two teams from our school represented us with their remarkable projects:

Team A: Shayaan Rabbani Dowlah and Aayankumar (Grade 9) presented an Early Warning System for Land Subsidence.

Team B: Vrishank Manish and Aryan K Girish (Grade 8) displayed their project on Artificial Floating Island.

Both projects were highly appreciated by the audience and experts for their creativity and relevance.

Representing Our School in Sustainability: Vrishank & Sai Prakul's Transformative Journey

We are proud to share that two of our students, Vrishank Yalakanti from Grade 8 and Sai Prakul from Grade 9, represented our school in a prestigious internship with 1M1B (One Million for One Billion), sponsored by Aditya Birla Fashion and Retail (ABFRL), held from November 6 to 11, 2024. This immersive program introduced them to the principles of sustainability through expert-led workshops, field visits to villages in Tamil Nadu, and innovative factory tours. They gained valuable insights into green skills, climate change, circular economy, and practical ways to integrate sustainability into daily life. The students also participated in hands-on activities like sapling plantations, supply chain mapping, and group challenges, enhancing their problem-solving, teamwork, and leadership abilities. Their interaction with community leaders, business experts, and sustainability pioneers left a lasting impression, inspiring them to advocate for eco-conscious living. As part of our Eco-Club initiatives, Vrishank and Sai Prakul are excited to apply their learnings to promote environmental awareness and drive meaningful change within the school and beyond.

AECS Emerges as Top 100 School & Wins Prestigious Awards -Youth Ideathon 2024

We are thrilled to announce that our school has been recognized as one of the Top 100 schools at the Grand Finale of Youth Ideathon 2024, held at IIT Delhi on October 9-10. Organised by ThinkStartup and Management Entrepreneurship Professional Skills Council (MEPSC), in association with Central Board for Secondary Education (CBSE) and IIT Delhi, Youth Ideathon is said to be India's biggest innovation and entrepreneurship competition designed specifically for school students from classes IV-XII.

Our talented team, comprising Bhargav Ramavarapu, Hargun Kaur, and Aniruddh Gupta from Grade XII, showcased their innovative project at IIT Delhi's display booths and impressed the distinguished jury of venture capitalists and business professionals. Their exceptional presentation skills earned them certificates and medals.

Our esteemed Principal and Director, Dr. Seema Geol, received The Principal's Award in the Design Category for the South Region, a testament to her visionary leadership.

The mentor Mrs. Gayathri Battepati was awarded The Certificate of Achievement for nurturing and providing a TOP 100 Team at Youth Ideathon 2024. This recognition honors her dedication to fostering innovative thinking and entrepreneurial spirit among our students.

The AECS family is immensely proud of this outstanding achievement.

Congratulations to Dr. Seema Geol Ma'am, mentor Mrs. Gayathri Battepati, our outstanding students, and the entire AECS community on this remarkable success!

AECS MMPS always encourages young talents and motivates mind to move ahead in life.

Tanishka Kanthale, a student of Grade 4 has been awarded with a Certificate of Honor in "The India Quiz - My India, My Pride" for her stupendous achievement. She has secured the position in the final round scoring 98%. Twinning Owl learning platform appreciates her pursuit of knowledge and learning spirit about our nation. We whole heartedly congratulate her for her marvellous success!!

We are thrilled to announce that two talented teams from our school participated in the CBSE Skill Expo 2024, Regional Event - Mysore, held on July 31, 2024, at Delhi Public School, Mysuru. Team 1, comprising Varsha KS and Shiva Nair from Grade XI, showcased their innovative project "Medical Tourism - JEEVAN JYOTI" under the theme Hospitality and Tourism. Team 2, consisting of Arindra Datta and Srinjesh Bhowmik from Grade X, impressed with their project "Traffic Optimisation" under the theme Emerging Technologies.

Among 50+ participating Teams, our Team 2, presented by Arindra Datta and Srinjesh Bhowmik from Grade X secured a well-deserved spot in the Final/National Event, scheduled for January 2025! Their project received accolades from the judges, and we couldn't be prouder!

We extend our heartfelt congratulations to the students for their outstanding achievement and to their mentor, Mrs. Gayathri Bettapati, for her dedication and guidance.

We also wish them the very best for the upcoming National Level Event!

ENIGMA 2

Enigma 2, 2024 the annual inter-school competitions was held at AECS Magnolia Maaruti Public School, Bengaluru on June 28th 2024, Friday. The inter-school event was a grand success, with 21 schools and around 400 students participating in various competitions. The event aimed to foster skills like teamwork, communication, and problem-solving among students to prepare them for future careers and contribute to economic growth. Some of the topics for the competitions were Environmental themed and Sustainability-Focused to raise awareness about responsible consumption and production practices.

The competition consisted of various exciting challenges viz Quiz, Paper Presentation, Drawing, Just-A-Minute (JAM), Found Poetry and Literary Costumes & Cosplay. These competitions provided a platform for students to display their knowledge, creativity and quick-thinking abilities. The inter-school event was a resounding success, achieving its objectives and providing a memorable experience for all participants.

AECS Magnolia Maaruti Public School congratulates all the winners and participants of Enigma 2, 2024. Your enthusiasm and dedication were truly inspiring! We also thank all the participating schools for being an integral part in making this event a grand success.
