

BALDISHA – 2024

AECS Magnolia Maaruti Public School hosted its much-awaited annual exhibition, Bal Disha, on November 30, 2024, celebrating the creative talents of its young students. Since its inception in 2018, Bal Disha has grown into a prestigious platform that encourages and inspires students to explore various art forms. The event was graced by renowned artist Nilufar Ahmed, known for her expertise in impasto, textured art, and Russian sculpture painting, who also upcycles furniture and conducts workshops. Her presence motivated students to pursue their artistic passions.

The exhibition was a collaborative effort across all grades, with students working closely with their art and craft teachers, Ms. Bhawna Manalel, Ms. Debolina Das and Ms. Jyoti Mishra. They explored a wide range of artistic expressions, including pencil shading, acrylic painting, sculptures, origami, embroidery, bottle art, diya decoration, oil pastel work, and more. The exhibition received widespread appreciation from students, teachers, and parents alike, recognizing the students' dedication, creativity, and hard work in the arts.
