

## COMMUNITY HELPERS 2024-25

The Kindergarten and Grade 1&2 students of AECS enthusiastically celebrated Community Helpers Day on Friday, 7th February and Monday 10th February 2024. The event aimed to instil appreciation for the essential role's community helpers play in our daily lives. Kindergarten students arrived dressed as their favourite community helpers, including doctors, firefighters, teachers, chefs, and police officers. They confidently spoke about the significance of their chosen professions, demonstrating their understanding of the responsibilities these helpers undertake. Adding a touch of kindness to the celebration, children brought sweet boxes, and flowers which were shared with the school's housekeeping staff, bus drivers, and security personnel. This heartfelt gesture served as a token of gratitude for their dedication and hard work. The event was a meaningful and engaging experience, reinforcing values of respect and gratitude while making learning enjoyable for our young learners.

## JOY OF GIVING 2024-25

We are thrilled to share that the funds saved from our Independence Day Carnival were put to a wonderful cause! Our compassionate students extended their kindness by providing snack boxes to a nearby government school, as well as to the hardworking drivers, aiyammas, watchmen, and other support staff who help make our school a safe and welcoming place on 9<sup>th</sup> August 2024

This initiative, aptly named the Joy of Giving, embodies the spirit of generosity and community. A huge thank you to our students for their thoughtfulness and to everyone who contributed to making this possible. Together, we are making a difference!

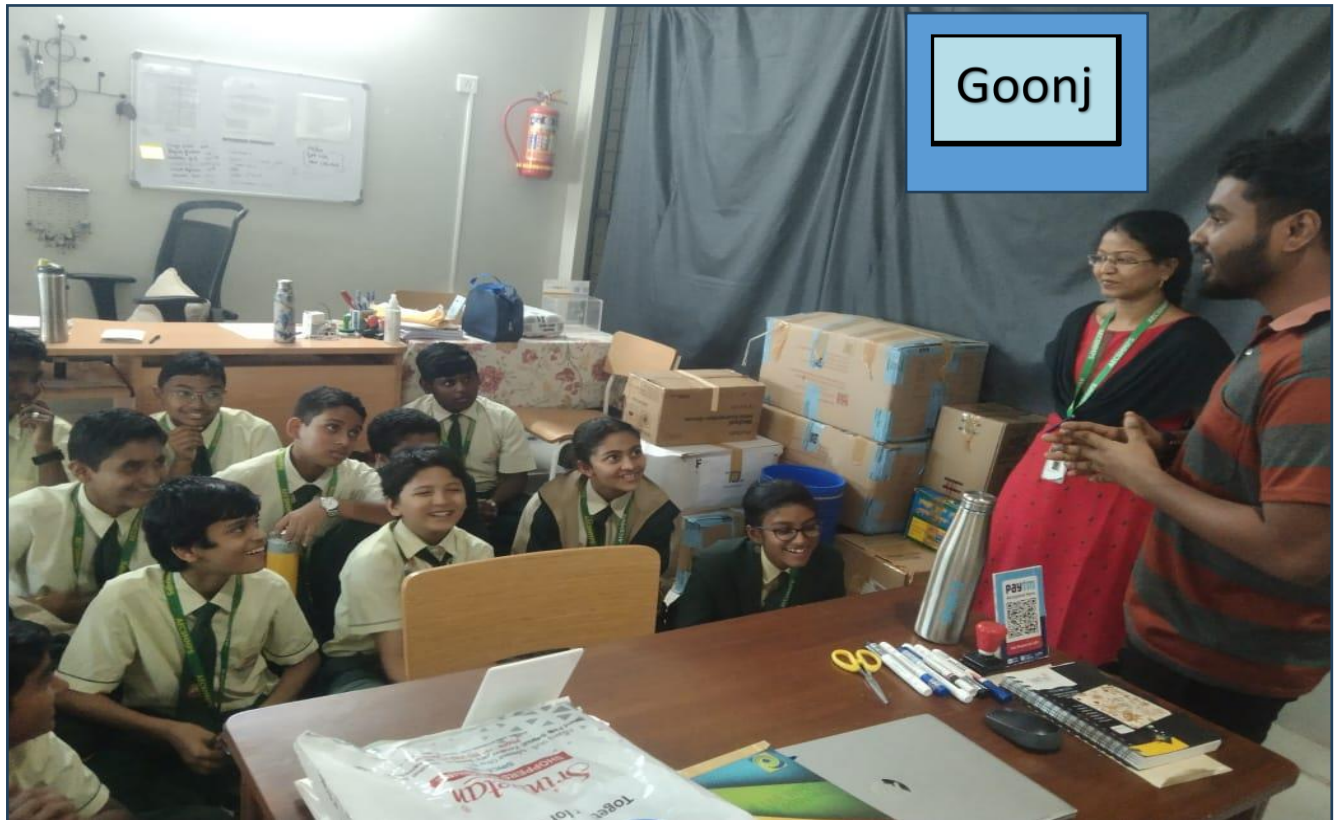

## ENTREPRENEURIAL SPIRIT THROUGH THE JOY OF GIVING INITIATIVE!

"We're beaming with pride! Our students, have once again shown their compassion and entrepreneurial spirit through the Joy of Giving initiative!

Our VIII-XII graders contributed exponentially in collecting funds by setting up stalls for the "Independence Day Carnival 2024" on 8th August 2024. The little entrepreneurs proved that they are best at what they do. The first phase towards the noble cause was initiated on 25th August 2024, using funds from our Independence Day Carnival. Our students provided snack boxes to a nearby government school and our school's support staff. This act of kindness fostered a sense of community and gratitude. "On 13th August 2024 the students of AECS MMPS along with the staff purchased relief items like grains, biscuits, medicines sanitary napkins, umbrellas and blankets for flood victims with the collected fund. AECS has been in partnership with Goonj an NGO, committed to making a positive impact and helping those in need during difficult time. As the final phase, on 04th September 2024 students and staff delivered the purchased items along with the contribution in kind given by students, parents and teachers at the Goonj office. Partnering with Goonj we've made a tangible impact in the lives of those affected. From organizing a successful Independence Day Carnival to collecting funds and purchasing relief items for flood victims, our students have demonstrated exceptional leadership and kindness. A huge round of applause to our students, staff, parents, and teachers for their generosity and dedication! Together, we're creating a ripple effect of kindness and making a real difference in our community!"
