

CREATIVE PARADIGM (PROJECT DAY)

2011-12

- ❖ On 6th August 2011, a "CREATIVE PARADIGM" (Project Day) was executed by AECS little magnolians under the guidance of teachers and parents. Every child is creative but they need the right educational techniques that can bring out the budding creative potential. Therefore, along with their teachers AECS students showcased their creativity by creating various projects.
- ❖ To develop patriotism among our young magnolians 'tri colour days' was observed for Grade I and II on 9th, 10th, 11th of August and 16th August the entire school celebrated the Independence Day.
- ❖ 18th August special assembly was conducted by Ganga House. Ganga house presented a program on the great leaders of India and their valuable contribution to the nation.

- ❖ 23rd August on the occasion of Gokulashtami a cultural programme was organized by the students where they performed dances, sang bhajans and recited childhood stories of Lord Krishna.
