

QU REVUE

Graduation day was celebrated on 21st Jan 2014 in the school premises for grade X and XII students. The programme started with invocation dance and prayer song. It was followed by the lighting of candles and oath taking where all the students very honestly and sincerely repeated the oath being spearheaded by the principal, Mrs Seema Goel.

It was indeed a touching moment to see the students prepare to take their first flight. A valley of entertainment shows-namely inspiring songs and enthralling dances added on to the fun and frolic and made the atmosphere a little lighter. The inspirational address by our principal to the students, swept the floor beneath their feet as they realized that soon they have to set foot into bigger world, away from the protective shade of the 'Alma mater'- the school and the teachers. The brightness of the colourful dresses of the students added onto the hue of the ensuing programme leaving all of us in a lamented state but memories to cherish on which will linger in our hearts forever and ever.....

"It takes rain and sunshine to make a rainbow."

With this positivity the staff, students, Principal and Management wishes the students the very best in their future endeavours!!!
