CLUSTER LEVEL CRICKET TOURNAMENT

We are happy to announce that our school got the Runners-up position in cluster level cricket tournament up organised by the School Sports Promotion Foundation from 12th to 17th November 2018.

The School Sports Promotion Foundation (SSPF) is a new programme launched jointly by Sports Authority of India (SAI) and Gurukul Trust (non-profit organization) with a purpose to enhance and encourage the sports from the grass root level.

Though the programme aims at cricket and football for the first year, competitive sports like swimming, wrestling, tennis, basketball and athletics are the included sports for the coming years, with an aim to bring maximum sportspersons to compete at National level.

Cricket selection

Schools Sports Promotion Foundation enhances and encourages Sports in Schools throughout India. As most of the future champions are in Schools today SSPF conducts various sports matches to search new talents n nurture them.

Recently SSPF organized Cluster Level Cricket Tournament in which our AECS cricket team stood Runners up .

We are proud to announce that out of three students who were selected for the district selection round, two students Master Pratyush Saurav and Master Mandar B A of Grade X have been selected for District level tournaments which are going to be held from 10th December to 12th December 2018 in Belgaum.

On behalf of Management ,staff and students we congratulate them for this great achievement.
