We make a life by what we give

*We thank all the students, parents, staff and the school management to help us continue with our legacy of supporting our outreach programme . This year we took the initiative of contributing towards the Assam and Bihar Relief fund in association with Goonj NGO. AECS family has come forward in a big way to contribute towards this initiative and the first set of materials were safely handed over to Goonj .Please note that the second set of materials will be dispatched to them in the third week of August. We request all the members to come and contribute whole heartedly.*
