

Joy of Giving

Giving is often motivated by chasing that inner voice which pulls us to something bigger than ourselves.

AT LEAST ONCE IN A LIFETIME, ONE MUST EXPERIENCE THE JOY OF GIVING WITHOUT ANY REASON.

AECS has been actively contributing towards community service and always looking for convenient and helpful ways to get involved in giving back to the community since 2013. We encourage the students to participate in community service and give them opportunities that expose them to global, national and local communities of which they are a part. AECS parents have been a greatest strength and support in all the previous ventures which was the key factors to make this initiative a great success.

We are running Bharat Scouts and Guides unit as a part of Wilson Garden Local Association, Bangalore South Zone successfully in our school since 2013. Government schools are unable to start these units due to financial problems to purchase the Scout and Guide uniforms. AECS took an initiative to sponsor the uniforms in order to help Anekal Taluk local association start these units in government schools.

We are proud to communicate that we received an overwhelming response from our students and parents. Students along with teachers visited Anekal Taluk to distribute the uniforms. The lustreless faces broke into smile of sheer delight when the young ones presented them the uniforms.

It was indeed a moving experience. The visit enabled the students to emerge from the cocoon of their own needs to reach out to the needs of others.

WE ONCE AGAIN THANK ALL THE PARENTS FOR THEIR CONTINUED SUPPORT AND KIND CONSIDERATION.
