

JOY OF GIVING

As a part of Community Service, students of Grade V were taken to Om Ashram Trust -Old Age Care Center to spend some quality time with the aged. Students enthralled them with a scintillating dance performance. They also played some interesting games to entertain them and the winners were felicitated. The senior citizens were moved by the kind gesture and benevolence shown by our students. The students were touched by the love and affection shown by the elderly. On behalf of our School Management, the inmates were given food grains. The students had a memorable experience which will be cherished for years to come.
